The Premises:

clean & tidy flat in a quite residential street. Quite safe.

The Lady:

Curvy young brunette. Big boobs and nice curvy bum. Young and pretty. Physically she was very pleasing on the eye. Curvy all round and good skin.

The Story:

Met up she was wearing skimpy lingerie which was very hot on her. Couldn't stop staring at her body. Sorted out money then got undressed and got onto bed. She went to work straight away after getting undressed herself. She knows how to please and use foreplay with her tongue over all parts of your body. Started with bbbj which was nice, then on with mac and cowgirl. This was very nice to appreciate her boobs swaying and bouncing. Enjoyed squeezing them whilst she rode me. Then moved to doggy style. The view of her bum from behind is awesome as you enter her. Even rubbing your dick on her bum and in between her cheeks feels good. Finished inside her in the mish position after collapsing. Left happy. Would return.
