The Premises:

Clean luxury flat in a nice expensive mansion block not far from marylebone station or baker st tube. Residential quite street in a safe area. Room was nice and spacious and bathroom was nice and fully functional.

The Lady:

Curvy thai girl. Mid twenties young pretty and cute. Probably around 5 ft 4 to 5 ft 6 . Has nice eyes. Natural big boobs and very enjoyable size bum. She is in the style of London Keyes porn star or Chelsea thai escort.

The Story:

Lori is working as an independent. Very friendly girl. Chatty and nice. Was wearing sexy lingerie or negligee. After having a quick shower to thoroughly clean up moved to the bed. She started foreplay with her tongue licking me over all parts of my body starting from my chest down. Then she licked my balls. Her tongue was very good. Lori is quite cute and pretty so when she picked up my legs and pushed them back to start rimming me it was quite a site to behold. She really knows how to rim and is very good at it. Her tongue is awesome I didn't want her to stop but had to try other things. This went on for 10 mins and I was in heaven. I couldn't believe this pretty girl had her face literally stuck in my hairy but clean arse. Then moved to bbbj. She is good. Afterwards had rather energetic sex with her on top whilst watching her boobs bounce. Finished with a nice cim. She does anal in half hour booking but I didn't have time to try this as I was having too much fun with the other activities. One hour booking with her is ?130. I will go for more time next time. Had another shower and then a bit of a chat which was nice. She has a very warm and friendly face. She is very much my type physically and personality wise. Her English is ok but she is having lessons so her accent should improve with time. Very nice girl. Treat her well. I will definitely return.
