The Premises:

this place is very discreetly tucked away blink and u miss it.set back in a pink and cream building off the main road not many people around so was ok.when i entered was greeted by receptionist who i thought i knew from somewhere else .

The Lady:

i was introduced to 2 ladies but took a liking to isobel a english lady dressed as miss massage wow certainly got me hot.i reckon she was bout 30ish tanned and lovely blue eyes.

The Story:

isobel took me into a lovely dimly lit room where we got the paperwork out of the way and got onto to have some fun.a chat a suck and a fuck all done with a smile made my day and visit certainly worthwhile.on leaving the premises had a chat with the receptionist who it then dawned on me used to have water street massage.this place seems a work in progress clean cheap and friendly
