The Story:

This was another horny session with a gorgeous brunette. I have been spoiled while I have been in the North - not a single bad punt.

Amber let me in and we kissed and removed our clothes right in the doorway. She went southwards and sucked my cock until I thought I would cum right there, and I had to stop her, being a one hit wonder and all..

We moved onto the sofa where I tasted her sweet pussy giving it all the right attention with both finger and tongue. I knew she was enjoying this because she pushed her pussy hard onto my mouth.

Then she slid down and sucked me some more, I had to stop her again and on with the condom because I felt I was going to burst and I needed more than just a blow job. I fucked her on the floor which must have lasted all of one minute and I came like the proverbial train.

Good fun.
