### The Premises:

Brooklyns is a great parlour - clean, warm, spacious, well-appointed - apart from one thing: I really don't like sharing a waiting room with other punters.

### The Lady:

For 16 years Kelly was receptionist at nearby Excell Sauna, and she occasionally worked the rooms there. Now at Brooklyns, she's a slim leggy blonde in her late 40. Shaved, tanned and with enhanced boobs, she's in remarkably good condition.

### The Story:

Kelly is chatty and friendly and very open. We started with some sexy foreplay, followed by cowgirl and missionary, finishing off by hand. Kelly threw in a few "extras" without charge, which was good; but I was a bit miffed that she called time after 15 minutes, saying she had a customer waiting.

So, I'd like to see her again, but i'd want my full 30 minutes next time.
