The Story:

Went to see Crystal at GFE because her pics looked great on the site. Went in and was introduced to all the available girls and Crystals elegant looks and sexy Sunderland accent gave me a hard on like a milk bottle so I chose her. What a great move on my part, not so much porn star as nymphomaniac girlfriend (she admits to that). One of the all-time best OWO experiences I have ever had, followed by some fabulous 69 which always gets her off then on with the old rubber glove for some cowgirl to finish. Check the calendar as her days seem to be changing at the moment but well worth a visit, she is awesome.
