The Premises:

A shared flat on tetuan street off fosse road north.

Ground floor flat, very hot and stuffy even with a fan, but Anny made me feel hotter!

Parking is outside on the road, you are given the flat number by the receptionist, who always poses to be the WG, errors have been made, because I originally rang and booked for 11am, and turned up and was told that Anny would be ready in 30 minutes, due to the fact of another punter arriving and not booking! Frustrating!!!!

Receptionist isn't very efficient. This place has been hit and miss before, but with Anny working there this is a place that shouldn't be missed.

The Lady:

Attractive thai girl. Early 20's very nice enhanced 34c, but I think 36d, long hair with a sweet and sexy smile. Size 6, just how I like them, 5' 3" I'm not sure, spent most of our time in the horizontal position.

The Story:

I have visited Anny twice so far, she is only here for a few weeks so I'll try to visit her a few more times. Her prices are very reasonable, owo, several positions although no kissing. I feel more intimate if there was kissing, but with an attractive face and lovely swaying tits it was a pleasure in more ways than one.

Cow girl, doggy, mish and finally cow girl, my favourite as I have no control about cumming it not. Anny then gently pulls off the condom and wipes me thoroughly and gently.

I used to think that joanna was gorgeous, but Anny is very close to that. Even in these economic times, I'll be punting with Anny until she moves back to Birmingham, then it will be pot luck who will be Anny's replacement.

This address had been used many times by other Thai girls, but I have my reservations until I met Anny. Definitely worth a punt, if not two or three or even four if I can make it!

I'll miss Anny when you go back to Birmingham.
