The Premises:

Residential Street in East Ham opposite to Brampton Park. No issues during the day, not sure at night.

The Lady:

As per picture but more pear shaped and flat chested. Age is probably correct. She stated that she was from Greece but I would have said EE.

The Story:

Went on the recommendation of a fellow PN member but no field reports. Afrodita is from the other site and has 3 ID?s, the other 2 being Briana Anal and Analysa Analysa. How the hell she got positive feedback from the other site? I would say this is the worse punt in punting career. I would ignore what she writes on her profile. She does not provide a service. I was in there in total 15 minute. She gave me a quick wank then on with a condom for some French that lasted a total of 5 minutes then mish and doggy. Then I was rushed to cum even though I knew there was ample time left. She was trying to be friendly afterwards with small talk. Avoid this place. Another girl works there too. What a week, one punt on my top ten lists and this.
