Just like her photos. Short blond hair, lovely face, slim, AMAZING frontage. Looks younger than her 28 years.

The Story:

Welcomed and shown to upper floor bedroom by a very nice lady who offered me a drink. Lucy entered the room about a minute later. WOW. Heels, stockings, suspenders, and her HH breasts beautifully presented in a pretty half-cup bra. Hellos, kisses and money dealt with I told Lucy what I needed and it was down to business. Now in general I am not a fan of augmented breasts but I defy any man of like mind not to want to caress and kiss Lucy's magnificent headlights (and suck her perfect nipples too). It just seemed the natural thing to do when they were released from their holsters. Other details of our activities are not necessary except to say that Lucy did everything I asked of her without demur and throughout the session she was friendly, encouraging, attentive and thoughtful. We finished with a nice little chat too.

Lucy you are a delight to the eye, a delight to talk to and, oh yes, a delight to have sex with. I will spend more time with you next visit (once my piggy bank is full again).
