The Premises:

Fernanda was working from a 2* hotel near the town centre. Hotel is a little way down the road from the main Hotel so no Reception to go through. Entrance needed to be opened by her friend. She was located in the top floor room. Clean and comfortable.

The Lady:

Pictures on other site are misleading, the picture with her wearing a pink top is not her. The others might be. Anyway she is taller and bigger than these lead you to believe. Probably 5' 10", size 12, not fat but not thin, more 'bigger build'. Long dark hair. Wearing white stockings and lingerie as requested.

The Story:

As soon as I spoke with Fernanda I knew I had made a mistake, but I was there and had the usual stupid thought that although her attitude was initially poor it might improve. Stripped off and lay on the bed, she joined me and immediately started wanking my cock, put the condom on and started oral. I decided to take control, suggested doggy and took her on the side of the bed. Fucked for a couple of minutes and asked to come on her tits, which a did. All very unremarkable. One of those very forgettable punts.
