The Lady:

5 foot 5 blonde . With a figure to die for . She says she needs to go back to the gym but believe me she doesn't . It's all nice and firm with the soft feminine bits just right.

Real boobs that are oh so sensitive.

More or less perfect

The Story:

End of the week and I was feeling a bit jaded. Lucy soon perked me up. Nice rubdown , with a friendly chat.

On to the main event , let's just say it was really enjoyable.

If you havnt been it's worth it . I have seen several of the Girls there and each one I have seen has been the dogs doofahs
