The Premises:

Large apartment block in very quiet area safe and easy walking distance from a few stations. Receptionist asked who I was visiting - gave the room number and walked through. Dream has just moved so place is very clean with a large bathroom.

The Lady:

Tall slim and with smallish boobs with very big nipples, Deea could stand to gain a couple of pounds but very attractive and not too skinny. A few tattoos (some removed) nothing untasteful. Clean and nice smelling. Deeah greeted me in a latex catsuit as requested.

The Story:

First time visting a working girl so was very nervous to start with.. had asked for 1 hours Somme service and 1hours Gfe.

Offered a shower and calmed down a bit while I was in there. When I got out deep chatted about what in wanted to do and listened to the few ideas I had. Started with some feet worship them some cropping and progressed onto anal play with deea attempting to fist me as requested (will try poppers next time). After this she fucked me with a strapon until I came and made me eat my cum.

Mid session shower then a gfe had a nice chat with deea who was very easy to get along with followed by oral both ways and sex in several positions. Ran overtime as I think deea was enjoying herself no rushing or clockwatching.

Will definitely return
