The Premises:

Clean Flat in a nice area of West London, Kensington.
Safe and secure.

The Lady:

Early Thirties, Dark silky long brunette hair and blue-green eyes.
Large enhanced breasts and slim toned and tanned body.
A few tattoos.

The Story:

A very well informed lady with reference to knowledge of sexual intercourse and physiology.
She offered either GFE or PSE , not the most hardcore sexual experience I found but very good
intelligent chat and drinks and shower were offered, of course after a good watersports session.
Megan offered this without hesitation quickly taking off her shirt and skirt to be nude and reveal a
lovely tanned body.
FK and into the bedroom for some DT and handjob then prostate vibrator. Into doggy position to
finish but managed to CIM.
We'll try and see again.
