The Story:

Holly looks very young, nice slim body. I wouldnt say she stunning but she isnt ugly by any means. I arrived at alicias and holly and Melissa were working. Melissa was busy so I jumped at the chance to see holly. got in the room and thats where it all went pearshaped. Shes very quiet (I suppose it could appeal to some) little conversation, no RO (said she doesnt like it!), no DFK no fingers inside. Brief OWO which ok, too much hand effort with her mouth at the tip of my shaft. On with the hat and onto mich, no movement whatsoever, no eye contact, no noises felt like I was having sex with a doll. Seems to me this girl isnt in the right industry. I know she is new to the industry but I saw Bella last week whos new (fr to follow) and she was fantastic, warm and seemed genuinely interested.

Service-3/10

If you want to see somebody who looks really young and innocent she may well be the girl for you but personally I like someone who can stand and deliver
