The Premises:

nice area in centre of town. discrete and safe

The Lady:

lexi - slim, long blond/brown hair, nice size enhanced boobs. great for her figure. very pretty.

katherine - slim but curves in all the right places, long blond hair, lovely pair of natural boobs. very pretty. both as stunning and funny as each other

The Story:

this was sorted at the last min by lexi, and i am really greatfull. it was a real pleasure meeting these 2. both fantastic kissers, it was the sloppy wet 1s from katherine that made me get into it too much. seeing lexi bounce up and down on me was an amazing sight, then again, seeing katherine's tits sway in the mirror while she was rubbing lexi's clit while she was underneath her was a sight to behold

i have already agreed to go back again to meet these 2 as they are a good pair, even alone they would be amazing but both together are just horny as they both enjoy what they do

thank you lexi and katherine, see you again soon xxx
