### The Premises:

Victoria House is a bit like a \*\*\* hotel.

### The Lady:

A very good looking vulumptuous babe. Ashley has lovely eyes, a cute nose, and magnificent breasts. Age wise I'd put her in her early 20s. Note: she now has jet black hair (which suits her great); and fair amount of body art around her mid region.

### The Story:

To be honest I was a little nervous to begin with, and to her credit Ashley did a great job in putting me at ease without drawing attention to my nerves. Good girl. I seem to recall asking for 'something approaching a girlfriend experience' and that's exactly what I got. I won't go into too much detail, except to say that it was a very pleasurable half hour for both of us. Well it was for me anyway. Hope you enjoyed it too Ashley.

After the main event, we had a few minutes spare during which time we chatted and I was treated to massage. Ashley is dead easy to talk to and, as a bonus, is also a great (and trained) masseuse.

Overall, she's just a lovely girl.
