Clean and safe back street behind seafront. Narrow lane goes behind the white arcade, no.5.

Friendly receptionist.

The Lady:

Marnie is a local legend and I have been seeing her for many years.
A mature Scottish lady who has looked after herself and has a lovely body.

The Story:

Hot oil massage followed by tit fuck and oral both ways. Marnie is not only good at her job but really enjoys it. I spent ages with my tongue on her clit and in her cunt with her legs wrapped around my head. I cum easily so we stopped and talked while I calmed down then a very long doggy session before shooting my load inside her.
Just as good as ever!!
