The Premises:

Reported so many times.

As usual it was clean and welcoming. The area is safe and there is easy parking

The Lady:

Possibly the most perfect body I have ever seen. Beautiful smile, slim body, fantastic bum and the most wonderful breasts

The Story:

I was nervous but I need not have worried. Sarah put me at ease and everything else just followed. Slow sensuous oral - well before I knew it the inevitable happened. As we still had time Sarah gave me a wonderful massage. How refreshing not to be shown the door once the main show was over. Need to shift some appointments so I can see her in London next week
