The Premises:

Modern and clean flat in centre of town. Discrete entrance.

The Lady:

Tall eastern european lady of around 25 with a drop-dead gorgeous figure and a cheeky smile. Slim waist, curvaceous rear, long legs, full breasts and kissable lips.

The Story:

Tender full french kissing, massage and then a blow-job that had me hard very quickly. Sex in various positions that had me coming three times (almost unheard of at my age), and plenty of cuddling and kissing in between. Highly recommended - a lovely girl and a great girlfriend experience.
