The Premises:

Ground floor flat off Inverness Terrace. Only problem is it is a bit residential, so you can feel a little exposed while standing outside. Nice enough when inside and in the company of the lovely Bella!

The Lady:

This was spur of the moment duo with Bella and her friend Cookie. I have dated Isabella on many occasions, but this was the first time I'd duoded with her, and first time with her flatmate. Isabella has a fantastically tight and firm body, with a cracking pair of super firm tits. No silicon here but you'd be forgiven for thinking so. Cookie is equally fit with long legs and great tits as well, but smaller than Bella. Both girls late teens, very early 20's and dressed only in matching bra and knickers. Lovely!

The Story:

I specifically requested Isabella should instruct Cookie on how I like to receive my service, which she did admirably. Demonstrating hand, oral and sexual technique in turn and then letting young Cookie in for her turn.

Both girls have great (covered) oral skills and gave good dirty back chat throughout. Finished with Cookie lapdancing over me with those great slender legs, and Bella sitting next to me with me fondling her more than ample super firm assets with one hand and goosing Cookies arse and legs with the other. Meanwhile Isabella was tugging on my member with her unique "penta-pussy" hand action.

These girls are a class act and more than a handful to keep under control! But well worth it if you can handle them on their own, or in duo. Note to self: must return and solo with Cookie.
