The Story:

We were supposed to meet earlier, but when I got there she had to delay by half hour, was definitely worth the wait.

Ohannah makes the encounter feel so natural and passionate, as if you have known her for a while and finally hooked up.

She starts off by passionately getting to know you by keeping close, encouraging lots of groping and holding, kissing, and i loved the way she would grind and wriggle her lovely bum into my crotch, and finally OWO. I dont think we had even touched the bed yet, when we finally got to the bed, she made herself comfortable in a position inviting RO, love when ladies want their share of oral too.

she genuinely seemed to enjoy herself, moaning and all the while pushing down on my face, so I spent a while down there, by the time I had finished my chin was literally dripping with her juices.

This time I was on my back and time for 69, I had to stop her after while as I didn't want to cum, onto cowgirl and I let her work away, again I had to stop her and moved into doggy. This was great too, the way she arched her bum while I was thrusting away made me give in and cum.

She then cleaned me up and gave me a massage.

Then she tried to get me to come again with OWO, 69, and generally being all over me.

Ohannah is definitely one of the most passionate GFE I have had so far.
