The Premises:

Well located flat near earl's court tube, not sure if she lives there but the place is discreet and cosy.

The Lady:

Her pictures are accurate. She has put on some weight though.

The Story:

I have been trying to book this girl for a while.

She is always busy or is not doing incalls only outcalls?

I tried once again and for God's sake I succeed! She saw me at her place.

She is a stunned beauty! But she isn't as fit as in the pictures, still has an amazing body but must have put on 2 to 3 pounds? I got amazing services thought, french kissing, owo to completion, rimming, prostate massage with a small strap-on?

It really worthed had tried so hard to meet her.

I talked with her about the other attempts bookings and she explained that she is very busy as she has another part time job, she didn't want to tell me in which area? she said she normally has her agenda 3 to 2 days overbooked, as she only work few hours a day and gives preference for longer bookings and overnights. She commented that she was just come back from York from a weekend booking! (So here is the tip guys- if you want to see this lady try to arrange the booking at least one week in advance)!

Well I can see that with her beauty, nice conversation friendly attitude in combination with the great services she provides must hardly get spared time.

Anyway I had a great time and will keep trying my luck to see her again.
