The Premises:

10 mins in taxi from centre. Modern block near Hibs ground looked OK from outside but inside I've seen better, a lot better. Bedroom had twin beds rather than a double so a negative there.

The Lady:

Average looking girl nowhere near as good looking in real life as on screen.

The Story:

Had arrived in Glasgow that morning and no work till the next day, again not a lot in Glasgow that I could find so off to Edinburgh again in search of some action. Once in quick shower then lap dance & striptease and OWO, which was the highlight of the encounter. No FK and she wanted to run the show position wise. Fucked her in doggy and she rode me cowgirl, then more doggy, not my favourite position but she seemed to like it, till I emptied my balls. Another shower, not much in the way of conversation, then out the door 45 mins of an hour session. Slightly down market experience maybe due to the location rather than the lady. ?170 to fuck a porn star, at least I can say, done that, got the T-shirt etc. Cant recommend as had much better for the price.
