The Premises:

House in a residential area. Discreet, quiet and safe. Easy, free parking on road.

The Lady:

Czech girl, 24 years old. Pics are accurate. Complexion not too good, has pock marks. Firm breasts, slight tummy, nice arse and legs.

The Story:

Enjoyed a shower with Angel (which is downstairs) and then onto the bedroom for some fun.

Had oral with (she does do OWO), and then a good shag of her young body in a few positions. Had a rest and repeated.

Allows light DFK, no fingering through. A solid punt with a friendly girl.

Said she is only here for a few weeks to raise money for her mum who needs medical treatment. So go and see her chaps, it's for a good cause!
