OK was a busy day but managed to vist this bundle of fun. Started with a sensual kiss then kissing:-) her way down to my stiff cock she sucks cock like nothing I've ever had before long deep strokes all the way down her throat stopping every now and then to suck and lick my balls. I then licked her sweet tasting pussy she was moaning not made up moaning proper sex moans then I fucked her doggy deep and hard then off the condom for more owl finished in her mouth. One of my top three punts also friendly nice genuine girl will go again maybe for the hour
