The Lady:

Just like her pics. Her face is hidden on her website but in person she's pretty and animated. She is small and slim, has a very cute body. Smallish firm natural breasts & responsive nipples. Cute bum and lovely long hair. If you like small asian girls - asian meaning Indian - she's perfect.

The Story:

Nisha is very friendly and outgoing. Almost too much so, if that's possible. I felt I could easily chat with her for ages, and didn't feel she was using up time talking, she's just a nice person. But a real antidote to many people one meets. She's very sexy and exactly my type, obliging and warm. A GFE, vanilla - no fk, no owo, no daty - but she makes no secret of this. Good covered bj and she looks fabulous in action!
