#### The Premises:

well appointed apart hotel very close to tube.

#### The Lady:

Stunning! Just like the pics and video but a tad slimmer in real life

#### The Story:

Without doubt one of the hottest girls out there. Lovely confident, raunchy and a supreme gfe with lots of extra spice. Classy, educated and with a superb personality.

Probably slimmer than she appears on the video but an absolute star.

Anyone not sure, see the video clip and if you like it you will not be disappointed.

Started off with a lovely chat about life in general, before moving to the bedroom. Sasha has a lovely way about her to make you feel comfortable and as a 50 year old guy not wanting to rush, this was really appreciated.

I will not give explicit details about what we did albeit to say it was fabulous.

when we finished we chatted for 20 minutes with a glass of wine, her naked me knackered - highly recommended.

With many years of infrequent punting behind me its so refreshing to be blown over by someone - just exquiste
