The Premises:

Basement flat in quiet street, about 1 mile from city centre. Clean, discrete and quiet, with plenty of free street parking.

The Lady:

Lucy is young, genuine 21, about 5 feet 8 inches tall, size 12 with large natural breasts, quite large about the tummy and thighs, fully shaven, attractive and very sexy.

The Story:

Lucy was a real find. She is a very friendly, intelligent girl (just finished university) who immediately put me at ease and made me feel welcome. Started with kissing and cuddling, then I got down to licking and fingering her pussy. She was very responsive and wet, tasted delicious, and came after a few minutes. Then it was my turn.

Afterwards we talked and cuddled and stroked each other, and although I couldn't manage to get hard a second time, the time passed easily and pleasantly. A true girlfriend experience, with no awkwardness and no sense of hurry. Lucy is somebody I shall definitely see again, and unless you only like skinny girls I can recommend her wholeheartedly.
