The Premises:

Decent establishment. Clean and discreet parking.

The Lady:

Attractive, short hair, large boobs (around a 34E) enhanced. About five feet two, slightly podgy around the midrift but not off puttingly large.

The Story:

Previously worked here as Louise. Very functional and robotic. Absolutely no interest in whether the I was enjoying the process. Only interested in whether I wanted 'extras' as a guy who she saw when she worked at Genesis only wanted a massage with no extras to which she refused as she doesnt get paid without the 'extras'. Well expensive and thoroughly didnt enjoy. The fact she moves from place to place changing her name suggests not many repeat customers.
