The Premises:

Flat in either council block or pretty low grade. Safe in day, not sure if i would want to come here during the night. Flat was clean, good bathroom.

The Lady:

Hungarian girl, ok facially apart from teeth which could do with some work. About a size 10, good looking body, no fat. Breasts and arse however soft, not firm as i prefer. Mid twenties at a guess.

The Story:

Barbi (or Bernadette, as she said her name was) doesn't speak English. Still, had a good solid punt, oral with (owo probably available), sex in different positions. Repeated again and so went over the allotted time. Didn't seem to mind, not a clock watcher.

Friendly, enthusiastic girl. Recommend.
