The Lady:

Serena is a very pretty mixed race girl (web site says 29) stands 5'4" with attractive figure and full breasts (enhanced).

The Story:

Serena dressed in black underwear gave me a welcoming hug and nice open mouth kisses. Thought I detected alcohol on her breath and believe she had a smoke whilst I was in the shower. These were the only downsides to what was an exceptional punt. More DFK and superb OWO before I returned the compliment. She tasted sweet and clean. More OWO before she put on the mac and I fucked her in mish which was over far too quickly. Had a nice chat about biking before I left. Serena is a great lady and I hope to see her again soon.
