The Premises:

Clean and appropriately furnished. Glass of water or orange on offer on entry.

The Lady:

Petite with very large breasts (about three boob jobs and counting) Bring it on. Short blonde hair, nice facial features and perfectly symmetrical nose. Likes her shoes as do I.

The Story:

Lucy is a very pleasant young lady, chatty, responsive and always dressed to thrill. Very nice owo, kissing, ro and sex in various positions as long my stamina could stretch. Some girls just have a way of getting the best out of you and Lucy is one of them.

I think she should take up weight lifting for the next olympics. If she can support those huge tits all day, she'll surely do well at that.

There is nothing negative to say about Lucy, I have seen her several times now and look forward to seeing again.

Cheers me dear.
