### The Premises:

Nice clean flat on ground floor

### The Lady:

Carla's got a gorgeous & welcoming smile. voluptuous figure. She has got blonde hair and not black as seen in the pics. Didn't matter at all cos I love blonde hair.

### The Story:

It was Carla who opened the door and I was very plesed to see her. She had worn a very colorful summery bikini. We had a nice tight hug as this was my 3rd visit and she is now familiar with me. We settled the cashwork and got down to business. She started sucking as if she was hungry for a long time. Didn't want to be left out so asked her to do a 69 and I enjoyed nibbling and licking her clits..Also gave her already pink & clean ass holes a nice clean lick. She enjoyed a lot. Her boobs are so soft , felt like kneading dough.

When I felt I couldn't hold much longer, I did a missionary and then ended the session with a doggy..This was the best ever session. Carla you are awesome..49 reviews is no mean achievement..Most important she never rushes on the time.
