The Premises:

Very nice modern apartment. Very clean with good shower.

The Lady:

Curvy young girl, early 20's with a nice all over tan. Not as slim and fit as some, but still nice. Small perky tits - I call them cup cake style!

The Story:

Started with some covered O then fairly quickly into regular sex. Some good responsive noises from Allegra, but here's the strange thing -Looking at her face I couldn't tell if she was cumming or about to burst into tears! I did check several times that I was OK to continue and got a resounding YES from Allegra each time. Also when I pushed my member fully home into here tight pussy, stretching it to the max, there were more cute noises and her whole body shook with pleasure sending great little vibrations into my fully engorged phallus. Very nice going Allegra!
