### The Premises:

Very clean, decent area, felt totally safe. Easy to park on street just around the corner.

### The Lady:

Tall, thirties, blonde, slim, small tits but perky nipples, nice long legs, great tight pussy.

### The Story:

Needed relief on a Friday lunchtime so called Roxy - only had 20 minutes so she agreed to provide a 20 minute quickie. Arrived and she was dressed as I requested, see-through baby doll and high heels. Looked gorgeous. We french kissed whilst I got her naked, she wanked my cock with her hand and I licked her succulent titties. She then went down on me to start getting the old fella up to size, it worked! More kissing, then a wonderful blowjob. Her technique was amazing. I held out for a good ten minutes whilst she sucked with great enthusiasm and licked my balls for me. Came explosively and in to her mouth. Had a great time - will be back!
