The Premises:

Easy free parking within yards. Decent area feels safe and secure. Friendly welcome (despite being late!) into a clean tidy building.

The Lady:

Penny is a petite, gorgeous looking girl, the website photos are no exaggeration. Penny ticks all 'the boxes', she is stunning, a really competent massues and great fun to chat with. Oh and most fantastic bum.

The Story:

Both stripped off and I lay face down to receive a really firm, professional massage. Penny maybe small but has the skills to give a proper firm massage, she did regularly check to see that I was happy with the pressure etc. The pressure I did enjoy was her rubbing her body over me. Rolled onto my back to enjoy the full view of Penny sliding up and down my body wow The ending: Penny knew exactly how to keep me on the edge until the inevitable. Cleaned up chatted and showered, all very satisfying, big smile for the rest of the day, planning next visit.
