The Story:

Have seen a quite few girls at Cupids/Alicia's over the years and always had a good experience, but not so good this time. Holly is a good looking lady, (very young) and slim, but as a prev reviewer has stated, I dont think she is cut out for this, which is a shame as she could become v popular. very little chat (in fact the only "conversation" we had was when I was on my way out) & no response whatsoever in the room during activities (hopefully Carly will return soon!) I will of course return to Alicia's, and if Holly wants to continue a lot more effort from her will make her a hit.
