The Premises:

House near the MK centre shopping complex. Fairly discreet entrance. Inside is clean and tidy. Room had large fan going to ameliorate the heat of the day.

The Lady:

Fit, fit, fit. Absolutely stunning. Tall, size 8, leg that go on forever, and superb full natural boobs. Wearing a little black number, which ended just below her bum, which is another fine feature. If she was out on the town at night all the blokes would want to be the one she went home with.

The Story:

Pretty standard punt of oral without, which was excellent. Then followed by reverse O, delicious. Then sex, missionary and cow girl, tried to do some doggy but the old fella refused. Finished by watching her play with her perfect, shaved pussy.

Other reports have said that she can be a little distant, but I found in Parissa a bubbly vibrant girl who appears to love sex.

Highly recommended.
