Late twenties/early thirties, long dark hair (which she ties up for action), pretty face with a saucy grin, well proportioned legs, bum and belly. Nice tits.

### The Story:

Scorpio was, as usual, full of pretty girls but without Ian on duty I didn't really catch the names. Most of the girls were of Eastern European extraction with limited English. As I like a bit of a chat it was a toss-up between Connie and the petite Megan. Connie laughed more at my jokes, so through we went. After the regulation two minutes left alone twiddling my thumbs she entered. She started by kissing my neck which was nice but a little disappointing as I feared she might not do FK. Then she turned her lips to mine and tried to suck my head inside out. I honestly have never been kissed as enthusiastically before certainly not by a WG. She then proceeded south via my nipples to my cock which she attacked with skill and gusto. I wasn't even lying down on the bed yet! then she stripped and tied her hair up while I struggled onto the bed, she then hopped on for more oral and delightful caresses. I requested RO which she readily agreed to and seemed to enjoy nearly as much as I did. Then on with the mac and she showed me how a Scotswoman rides. After a fine enthusiastic fuck the rubber was whipped off and she finished me orally leaving me tired but grinning.

Connie promised if I returned on Tuesday she would see me with her pal for a threesome. I did return but, alas, her friend was not available. Just as well, it might have killed me.

Connie is a bright and exciting lady. She has a lively sense of humour and a healthy enjoyment of sex. As I said to the management, this girl is the business.
