The Lady:

Cherry is absolutely adorable. Beautiful eyes and smile. I saw her once quite a long time ago, I not too sure how long (must be couple of years now). I had a giant crush on her when I first met her a long time ago, and still do.

The Story:

I had chosen to see Cherry after having a bit of a problem with a booking made with the same agency but a different girl. The other girl was running late, and was giving me the runaround and had me standing outside for around 15 minutes. When I called to complain to the receptionist she was apologetic and helpful. I have always liked this agency, called them a few times in past, and the receptionist has always been pleasant and good to deal with. I was given a small discount, which I appreciated, for the inconvenience for a cab. After that I made a booking to see Cherry.

I was actually thinking of seeing Cherry in the first place, but I have a weird thing where the more I like a girl the more shy I am about asking for a-level. The last time I had seen her that happened. I am glad I got over my strange shyness and saw her. My time with Cherry was absolutely mind blowing. I don't like going into details but she fulfilled my desires and fantasy completely. I wish I could take her home with me, she is lovely.
