The Premises:

Scorpio has had a new carpet and some new floor coverings, wallpaper etc. The showers could do with some attention (two settings, hot and scalding) and there is a whiff of drains about the place.

The Lady:

Chloe was one of three girls available. Eva, Emma and Connie were busy as was one other girl, forget her name. Chloe struck up a tentative conversation and the posh, throaty accent melted me straightaway. Chloe is early 20's, tallish, slim body with firm tits and a pretty face. Hair was reddish today, but no doubt will be different when you see her.

The Story:

She started off quite quiet and shy, but we soon struck up an interesting line of chat about her past as a lapdancer, as well as the kind of club she likes to frequent.

An nice oily massage was followed by some cracking deep throat oral. If there is any better sight than an expensively educated honey enthusiastically throating one's full length, I've yet to see it.

Chloe moved into 69, unbidden, and continued her work, which reached the inevitable conclusion. We chatted after, and she has promised to bring her bag of tricks into the room next time. Looking forward to one particular item!
