The Premises:

Edwardian terraced, flat conversion. Nice enough place. Good shower.

The Lady:

Attractive Hungarian woman. Good English but strong accent. Quiet but pleasant personality; happy for you to do the talking. Late thirties I'd guess.

Slim, died-blond, tallish, average breasts, tan skin. Thinnish facial features. Smoker, not that that is a problem for me but possibly for some.

The Story:

Very passionate kisser for connoisseurs of DFK. I suspect her regulars are guys for whom that is most important. Followed by very good oral, sex in mish with more kissing. Finished by hand over her derriere. She does A too but is very tight there so will not entertain larger gents.

Saw time out with pleasant chat, kisses and cuddles. Very enjoyable appointment.
