The Story:

I paid Becky her booking fee when she arrived and her clothes were soon off and she had me in her mouth in no time. Her O technique is pretty good, I couldn't hold out much longer so on with the rubber and mounted her in missionary position. Pounded away for a while - she does look up at you and smile ever so sexily when you are doing her which was quite a turn on for me. Changed to cowgirl and shot my load after a fairly vigorous ride!

Nice pleasant chat afterwards, a good conversationalist and not at all rushed or any sense that she is a clock watcher
