The Premises:

One of the more seedy places. The doorway is in a busy alley in Chinatown.

The Lady:

Jazmin is tall and slim, perhaps too slim. Her hair is blonde, with dark roots showing, straight and shoulder-length. Medium sized breasts. She has quite a pretty face. She looks about 19 or 20.

The Story:

I asked for oral sex and Jazmin told me that would be ?30, although I think she overcharged me because on her menu it said sex and oral is ?30 and sex is ?20. When she eventually came into the room after chatting to her maid for a while she made almost no attempt to arouse me. She didn't put my cock all the way into her mouth and after about 3 minutes she told me she wanted me to go. I said to her that I've got a few more minutes but she said it was time for me to go. She's not friendly and makes no attempt to engage in conversation. She does as little as she can get away with. She's just the same as when she was working in Greek Street as Kim.
