The Lady:

A mature Chinese lady in her 40's with 32B breasts and long nipples.

The Story:

This was my second visit to this location and I saw a different lady to the first one even though they have the same name. This Molly spoke good English. This was my first punt for some time after recovering from an illness. I paid ?60 for 30 minutes and paid an extra ?20 for a facial finish. I spent some time sucking on her 1/2" long nipples while she caressed and slowly masturbated me. After the facial Molly offered to massage me which I really appreciated.
