### The Premises:

Very nice executive apartment. Very clean and safe, secure parking outside and nearby. Decor and furnishings show this lady has taste.

### The Lady:

Very attractive lady. Dressed classy but very sexy. Nice body, mmm I mean nice! Can't put an age on her because she looks so good.

### The Story:

Discrete entry and opened the door welcomed me in and put me at ease immediately even though unusually I was a bit nervous. Invited into the kitchen and offered a drink, very chatty and came gave me a hug and a lovely kiss. After pleasantries shown into her bedroom and no messing, kit off and onto the bed. This is one special lady who knows what she is doing and really enjoys her work. Squirts and cums for England. This is one special lady. I don't normally visit a working girl more than once, twice occasionally but I will be a regular for Sherry, she is good!
