The Premises:

Flat above shops, run down area, flat no luxury place but adequate, parking behind shops quiet on sunday a bit overlooked by blocks of flats around, felt fairly safe.

The Lady:

If this was the Crystal in the pics on web site the pics were not taken this century, woman about 35ish size 10ish not unpleasant looking.

The Story:

Welcomed at the entrance by chinese man(not unexpected) shown to room which was ok but no palace. Not the girl I expected to see obviously but as it was hot and I didn't want to travel the extra to MK I stayed. Started with ow then sex in three positions not hurried but finished in 25 mins. Do not like it when the girl is different to what I am expecting so would not recommend
