### The Premises:

GFE Massage is a clean, pleasantly furnished parlour where I felt I was made welcome, my business appreciated, and I was completely comfortable both inside, and leaving my car round the corner outside.

### The Lady:

Slender blonde lady, 5'6" tall, tattoo free, natural shapely breasts, and extremely attractive generally.

### The Story:

A perfect Girlfriend experience, she massaged my back whilst we talked about what I'd like to do, first with her hands, then with her bust, I then turned over, she French Kissed me, almost immediately making me hard, and then proceeded to make love with me in four different positions lasting the entire session time. It felt more like making love with a hot blonde goddess than what it actually was.
