The Lady:

Jennny does it for me. Whilst her website pictures are her, but I really think she should change them as she is so much better in person.

The Story:

If providing sexual services was an Olympic sport Jenny would have added yet another gold to GB's total.

I have not seen Jenny for neary two years, but it was like I had never been away. It had always been my intention to retire from punting, but now being single again the to urge to revist got the better of me.

Jenny provides an excellent GFE - kissing, oral and the rest.....If she wasn't already in the public domain I would keep her a secret from the rest of you.
