The Lady:

Having seen Vanessa's photos on the MKE website I thought this lady looks quality. Was she - absolutely. Photos were indeed different but they did not disappoint, this lady is a class act. She has delightful features and a totally caressable body. Whoooah!!!! Have coaxed a fat just by reminiscing.

The Story:

Did I enjoy this experience it was a GFE if ever there was one. Now I am not the shape I used to be 30 years ago when I would walk into a bar and end up with a Vanessa on my arm. But now the 60 barrier is broken - I fortunately don't dry fire (Vanessa remember what I said) and I can still fire the bullets if only I could hold it back life would be bliss. Did Vanessa know what was what? Unbelievably this is a lady of the world who deserves the very best.

So what did I experience, she let me and wanted me to explore her all over and exquisitely introduced to say hello to her pussy trinket, most delightful adornment. This is what it's all about pure unadulterated sex as it should be - dirty, filthy fun.

Well did this old fella have his money's worth, you bet. And when time was almost up the old ferret stood to attention for the second time and as time was running short not bade 64 and two eruptions, Vanessa calmly said with a wink her eye - announced that she was going to want me to explode in her mouth, which I duly did. Thank-you Vanessa the CIM did it for me - will I be back? - I have no option, I cannot wait.
